Boise, ID 83702

## What is our mission?

Our mission at Idaho DECA is to develop and empower student leaders to discover their passion and change the world by creating unmatched opportunities in learning, professional growth and service.

## How we do it:

---

Every year, at a national level DECA works with educators and industry experts to provide students with real-world experiential learning opportunities. Here in Idaho, we work tirelessly to promote, encourage, and oversee these endeavors for our members. Our State Career Development Conference, is the pinnacle for most of our members journey. Here they compete for recognition in their events, seek out exciting new leadership opportunities, network with countless professionals, and explore new avenues for personal growth.

## Your support will...

- Allow our **350+** members to find their purpose and potential
- Enrich our annual State Career Development Conference with an attendance of **250+** members
- Motivate our members to pursue promising careers in business.
- We had **130** students qualify for nationals

This year your support will be seen  
in communities across the state,  
as we have 16+ chapters.
